STRATEGIC EVALUATION

SOGRAPE

Core Strenghts

- Relational, not just Rational
- Retaining local management to preserve a brand’s soul
- Choosing a “Safe” Path
- Opportunistic Agility

Critique & Benchmark

- Relying solely on the wine category (too conservative)
- leaves potential revenue on the table
- Should transition from”Wine Toursism” to status-symbol experiences
- Benchmark: LVMH
  - selling a whole ecosystem/lifestyle
  - model of Premiumization
